## POLICIES

### Academic integrity policy

Participants must complete all tasks according to the course requirements independently. Participants are not allowed to cheat during the written module or summative test. The assignments should not contain plagiarism, facts of fabrication, falsification, cheating. Manifestations of other types of academic dishonesty determined by the Academic Integrity policy are also unacceptable. If a teacher reveals violations of academic integrity by students during the course, the former have the right to take one of the following actions: - to reduce points by up to 40% for practical assignments; - to give recommendations for improving and resubmitting mandatory homework assignments with the reduction of points by up to 25%; - to not accept mandatory homework assignments without the right to resubmit; - set a date for retaking the written module or the summative test with a reduction of points by up to 15%; - to not allow to retake the written module or the summative test.

### Політика щодо використання інструментів штучного інтелекту при виконанні завдань навчальної дисципліни

Політика використання інструментів штучного інтелекту (ChatGPT, Tome тощо) оголошується викладачем на початку курсу.

The policy for the use of artificial intelligence tools (ChatGPT, Tome, etc.) is announced by the teacher at the beginning of the course.

Несанкціоноване використання інструментів штучного інтелекту є порушенням академічної доброчесності.

### **Політика щодо використання матеріалів з джерел відкритого доступу**

При використанні здобувачами освіти матеріалів з джерел відкритого доступу для підготовки робіт, визначених силабусом та регламентом навчальної дисципліни, вони обов'язково мають дотримуватись умов ліцензій Creative Commons на використання об'єктів авторського права.

### **Attendance policy**

The student must attend 100% of practical classes. In the case of missing classes, the student must make up the missed class in accordance with the schedule of exercises approved by the department, subject to the relevant order of the dean's office.

### **Deadlines and course retake policy**

The rescheduling of the assessment takes place in accordance with the practice schedule. With the permission of the dean's office, you can take credit during the academic year.

### **Assessment appeals policy**

The results of the module and semester assessment are subject to appeal. A student must lodge an appeal to the director/dean on the day of certification or after announcing the results, but no later than the next working day. The appeal commission is established by the director/dean's order. The appeal commission's decision may change the grade in case of violations revealed during the attestation.

### **Assessment criteria**

#### **Assessment policy**

Evaluation results from module and semester certifications may be appealed. For this, the applicant must submit an appeal to the director/dean on the day of the certification event or after the announcement of the results of the certification event, but no later than the next working day. By order of the director, an appeal commission is created. According to the decision of the appeals commission, the assessment can be changed if violations are found during the attestation.
